

## Opening Prayer

Heavenly Father – we ask for your protection and guidance as we proceed tonight.

We ask that you give us the strength to rise up to any challenge and defeat our fears and enemies.

We call upon St. Michael the archangel to intercede on our behalf, to protect and defend this group from all unwanted and negative energies as we proceed on our mission.

We do this in the name of the Lord, our God. Amen.

## Closing Prayer

We thank you Lord for protecting and keeping  
Us safe this night.

In the name of Jesus Christ we command all human  
spirits

To be bound to the confines of this location  
And in His name we command all inhuman spirits  
To go where Jesus Christ tells you to go for  
It is he who commands you. Amen
